Entering the images on the competition web site

Create a file-folder containing your re-sized image entries on your computer. This will make the myphotoclub competition entry process very easy. You will not be jumping from file-folder to file-folder.

You can enter a maximum of 3 images.

Maximum Image Dimensions:
Width: 1400 pixels
Height:1050 pixels
Maximum file size: 2Megabytes

Submit your entries

1 – Go to pghphoto.myphotoclub.com.au

2 – Tap the Login/register button

Login window pops up

3 – Log In

4 – Tap "Members" in upper right corner

New Page Opens

5 – Tap button for the desired competition

New Page Opens

6 – Click or drag your 1st image from your image File Folder into the "Click or Drag Image File Here" box.

7 – Type in the title of your image

8 – Click the circle for "Color or Monochrome"

9 – click on the green "Submit your entry" button.

10 – Repeat steps 7-9 for 2nd and 3rd image entries.

You can also stop with 1 or 2 image entries.

The number of entries up to a maximum of 3 is your choice.

11 – Click on the blue "View or Change Your Entries" button.

12 – A New page containing your image entries & titles will pop up.

If you are happy with your entries click on the red "Logout" button.

In one or two days you will receive a confirmation email showing you the images you have entered along with all pertinent information.

If you have any trouble email or call Bill Shissler for help.
