at Manchester Craftmen's Guild*

1815 Metropolitan Street, Pittsburgh, PA 15233

February 3-April 7, 2020

Opening Reception: Thursday, February 6th from 6:30-9:00 PM

The Photo Section of the Academy of Science and Art of Pittsburgh is the oldest, continuously operating photography club in the USA.

The roots of our archived collection date back to the development of the early international salons. The first salon photography exhibition in Pittsburgh was held in 1886 and has continued annually. The club continues the salon tradition with an annual exhibit each spring with Photo Section club member participation. The goal is to continue to grow the archive collection with representative, award winning images from club members.

We invite photographers of all skill levels to join our group which meets on Tuesday evenings at the Mt. Lebanon Recreation Center.
