Pittsburgh Airport Art in the Airport Program

The Pittsburgh Photography Club and the Pittsburgh Poetry Collective are collaborating to create a project that we can enter as a proposal for the PIT Art in the Airport Program. For this project, the poets have created a collection of poems and it is up to us, the photographers, to provide images inspired by the poetry. Ultimately the photographs will be chosen by the poet, so you may submit multiple photographs for each poem that inspires you.

To participate, follow these steps:

1) Open the Google Drive folder: bit.ly/AirportCollaboration
2) Read the poems
3) Identify the ones that inspire you
4) Upload your photographs to the folder on the Google Drive that corresponds to the poem that inspired you.
5) Add your name and email address to the Google Sheets document titled 'Contacts'

If you have questions, please send an email to: collaboration@pghphoto.org
