

Pittsburgh Photography Club  
The Academy of Science and Art of Pittsburgh

LET'S CELEBRATE!!

Our club is 140 years old. Our club has met continually for 140 years.

That is hard to believe. And there is more...

From 1914 to 1980, our club produced one of the nation's most prestigious salons of Pictorialist Photography – The Pittsburgh Salon of International Photographic Art. What a tremendous legacy!

How many other clubs in the nation can make these claims?  
How many other clubs in the western hemisphere can say this?  
How many in the world?

The answer is ... very few, very few. I can count on one hand.

Many clubs have come and gone in the past 140 years.  
Many clubs dissolved during COVID.

Our club is strong. We have an active Board and involved membership. We are financially secure and plan to be for at least another 140 years. (I wonder what photography will be then!)

Let's be prepared for the future. But for now....

LET'S CELEBRATE 140 YEARS AND LET THE WHOLE WORLD KNOW.
